Little Brian Elliot, son of Mr. and Mrs. Barney Elliott, left Saturday, accompanied by his mother and grandmother, Mrs. W. L. Jones of Stavelo, for Warm Springs, Georgia. On arrival Brian will be admitted to the Warm Springs Polio Foundation for a major checkup and brace alterations. It is the hope of the doctors that Brian's good muscles will have strengthened sufficiently that surgery can be performed in order to make trans-plant of good muscles to dead muscle areas.

Brian, who is only three years old, was a patient at Warm Springs for 9 1/2 months in 1954, after spending 19 months in the Junior Red Cross hospital in Calgary.

Ramblers Improve But Still Looking For More Wins

One of the better games of the season, if not the best, was played on local ice January 25th, when Didsbury Ramblers tangled with league-leading Ponoka Stampede. It was the fiercest game we've witnessed this year but the penalties, there were 10 of them, were not o'clock, the clumpy variety.

Stampede players who have been roving around the league with not too much to worry about so far, were harassed to eke out the victory and it is our impression that with a little tighter defence and more help in goal the verdict could very well have gone the other way. (We always say this.)

Scoring for Ponoka was Meluk with three Grant got a pair and Branson with a singleton. Didsbury marksmen were Smith with a pair, McCabe and Morgan with one each. There were a number of friends present from Olds to witness the encounter and all but one commented that it was certainly the best game of hockey they had witnessed this season. They didn't win but we sure enjoyed them.

We are not familiar with the class of hockey played in the Big Six league but if Macdonalds are any good example we would suggest they "shoulda stayed home". Playing an exhibition game here last Saturday night a short-handed Rambler crew had little trouble trouncing them in a 9-3 score.

The locals had the punch all the way and had it not been for Gillette's late goal, the score could have been much larger.

Ramblers played without their regular goalie, but an able substitute was found in Arthur Jackson of Westerdale, who turned back the best the opposition had to offer. Could be with a little more experience he may find a regular berth with the locals come another season.

Tuesday night Didsbury met Lacombe on home ice and the visitors are the team Ramblers have to beat out of the last playoff slot. Too late to report in this week's issue, we will have the details for you next week. On Saturday night Red Deer will visit the local arena for a league game, all of which are important to the local entry and you can depend on the fact that they will be going all out to improve their standing.

New, Modern School Opened At Midway Recently

MASONIC 'SPIEL' LAST WEDNESDAY

Winner of the first event in the Masonic 'spiel' held last Wednesday was Ken Gilrie, with J. Shannon, C. McNeil and Bob MacFarlane giving him an assist. Ray Campbell was in second place, J. Worde, third, and Sam Krueger ended up with 4th.

Ice was heavy for the event, but the men with the muscles came out on the long end.

On the afternoon of January 21 a

good crowd gathered in Midway school to witness the official opening of the school. Midway school is one of the newest and most modern of the rural schools in the province. Mr. R. Good very capably served as chairman for the afternoon. In his usual jolly way he kept everyone happy and the program moving along.

The teachers, Mrs. Fisher, Mrs. Shields and Mr. Allen were introduced. The members of the local school board, Mr. C. Harder, Mr. H. Shields, Mr. D. Page, Mr. Art Marsh and Mr. Allen Marsh, were also introduced. Two members of the division board were also present and gave short talks: Mr. T. Morris, the chairman, and Mr. E. Turner.

Mr. J. Balderson, a former member of the board also was present and spoke. Also among those present and who spoke briefly were Mr. Fred Metz, who represented the municipal council, and Mr. Crispo, the division superintendent.

The official speaker for the afternoon was Mr. Howard Hammett, M.L.A. He officially opened the school by cutting the ribbon. All speakers referred to former members of the board whose untiring efforts made this and other modern schools possible. They did the preparation work so that children can do their studying amid comfortable surroundings.

To vary the program there were some lovely musical numbers, rendered by a few of the school children. Sylvia Good and Joy Hauser played a piano duet. Joyce Schumaker rendered a vocal solo. Patricia Hoskin favored those present with a guitar solo. A vocal quartet consisting of Joyce Schumaker, Billy Rider, Heather Marsh and Douglas Brander sang. Judith Marsh presented a tap dance.

To bring the pleasant afternoon to a close a buffet lunch was served.

Through The Study Window

By REV. C. C. ARMSTRONG

The missionary stivings, within the United Church, are called the Missionary and Maintenance Fund, or more familiarly the M. and M. fund. Through the agency of this fund the church finances all overseas missions, all aid-receiving charges of the United Church in Canada, all institutions and colleges, pensions, all the administrative machinery of the church. Without it the church could not function, and would wither away and eventually within a few years, would completely die. A church that is not a missionary church is doomed to inevitable extinction, for if it loves only its local life, it will love it.

Nevertheless, in many congregations only a fraction of the membership to the missionary work of the church. Perhaps they feel that by adequately supporting the local church they are permitting somebody else to give to the missions. For them, unless the local church is maintained they do not see how it can carry on. If it cannot meet the local obligations, how can it be of any assistance to people in mission areas? More probably, one will find that amongst those who do not give to missions there is a certain haziness about the real beneficiaries of the M. and M. Fund. Or to put it another way, they feel that they are giving to an impersonal something called the M. and M. Fund, and such impersonal giving carries with it no real satisfaction. If they could see and know definitely how their money was helping some particular person or work, they would gladly give.

In order to overcome the impersonal nature of the fund, it is possible to make a designated gift, for a specific purpose. Five dollars may be given for a year's treatment of one leper, while ten dollars may be designated to cure one person of catarrh, or to maintain an orphan in Korea or Japan for one month, or to provide a month's hospitalization.

A designated gift of fifteen dollars will provide a plow for an Indian (Hindu) farmer, of a type that is an improvement over the ordinary native plow and which can be made locally, yet which is beyond the means of the ordinary poverty-stricken farmer. A designated gift of thirty dollars will enable an agricultural mission to have a new and badly needed well, in the dry and thirsty land of India.

I have written about these designated gifts in order that one might better understand the opportunities that are ours. The missionary film, "Where None Shall Thirst" is a splendid full length feature presentation of the missionary work being carried on in India, where the plough and the well are basic to the welfare of the village. The film will be shown in Knox United Church, at the time of evening worship, Sunday February 20th. Jesus had things to say about ploughs and wells in his time that are still vital to the needs of our day, throughout the world.

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

President Taylor is evangelist in a series of meetings being held in the Mountain View United Missionary Church this week. The meetings will conclude next Sunday evening. All people of the community and town are invited to attend these special evangelistic services.

Last Friday evening a very interesting musical recital was conducted in both voice and piano, students of Mr. F. L. Lusk and Mr. Edward Widmark. Friends of those taking part were invited. After the recital lunch was provided by the social committee of the student council. Under the leadership of Mr. Earl Reimer, those taking part presented splendid work.

During the past week several have assisted Miss Eby in her class work while she was ill. Rev. A. Frey took classes in poetical books and Epistles II. Rev. and Mrs. Eldon Boettger gave lectures in the class on principles of missions. Mrs. Ray Shantz gave a splendid class on junior work in the Sunday school. The religious education class period on Tuesday, and Miss Margaret Hopius took temperance work in the Sunday school on Thursday. Mrs. Taylor and Mrs. Boettger assisted further in the work in the office. The help of these people has been greatly appreciated by Miss Eby and she extends her thanks and appreciation to each one.

The hockey team of M.V.B.C. went to Canadian Nazarene College on Saturday for their first game of the season. They came home with the laurels, and we are quite proud of them as a consequence.

A number of Gospel service teams were out over the weekend and holding services. These young people are gaining much practical experience in this way and are doing splendid work in the churches to which they have gone. They had the privilege of taking all services for the Evangelical Brethren Church of this town recently and words of commendation reached us concerning the good work they did in the services.

We were sorry to have missed the last two weeks in our presentation of College news. During that time we received splendid care in the local hospital and much thanks is due again to the care of the nurses and Dr. McKenzie. What would we do without our hospital? Were you ever in need of its ministrations? If you were, you too will recognize the need of more room, for these untiring nurses and their aides meet overcrowded conditions continually. One marvels at their patience and ability to meet difficult circumstances constantly. Yes, we need an extension there!

IN MEMORIAM

In loving memory of dear mother, wife and sister, Mrs. Mabel Janet Lyons, who passed away January 30, 1951.

We have only a memory, dear mother, we cherish our whole life through; but the sweetness will live forever, as we treasure the memory of you.

Sadly missed and always remembered by husband, son and brother.

Melvin Institute Plans '55 Program

The January meeting of the Melvin Institute was held at the home of Mrs. E. Phillips. Roll call was a roll call idea for the coming year and the program for the year was partially drawn up. These will be completed by the executive before the February meeting.

Mrs. E. Krebs reported on social services of 1954. Three quilt tops were reported on hand and plans were made to finish these for the Red Cross. Anyone having good clean and articles of clothing to spare are asked to bring same to the February meeting.

A food sale was planned to replenish dwindling funds. Card parties will be arranged later.

Mrs. Chandler, in charge of the bit of fun, had each lady draw a picture of the lady on her left. The results were hilarious!

Mrs. L. Fischer was the lucky winner of another silver spoon.

Roll call for the February meeting will be a hand-made valentine for your "secret sister". There will be a sea biscuit contest.

At a late afternoon ceremony, Jan. 21st, in the Knox United Church in Didsbury Miss Barbara Jean Smith R.N. daughter of Mr. Cecil Smith of Vulcan exchanged marriage vows with Mr. Stephen Lloyd Walker son of Mr. and Mrs. Walker of Olds. Rev. C. Armstrong officiated at a double ring ceremony. The church being appropriately decorated with ferns and carnations.

The bride entered the church on the arm of Mr. Tom Michaelson who gave the bride in marriage. She chose a light blue two piece bengaline afternoon dress with white accessories. Her jewelry, pearl ear-rings, were a gift from the groom. She carried a bouquet of red roses on a white testament.

Miss Jean Thomas as her only attendant chose a blue two piece bengaline afternoon dress with accessories of brown. Her colonial bouques was of pink Carnations.

John Bergama was the best man. Mr. Rex Fulkert and Mr. Cedric Moss ushered the guests. The wedding music was played by Mrs. Carlton Leeson.

The wedding reception was held in the Lions Hall in Didsbury following the ceremony. Telegrams of congratulations were received.

Mr. John Bergama proposed a toast to the bride which was responded to by the groom.

Following a honeymoon to undisclosed points Mr. and Mrs. Walker will reside in Didsbury.

The bride is a recent graduate of the Calgary General Hospital and is on the staff of the Didsbury Municipal Hospital.

A summer visitor wandered aimlessly through the strange countryside until he realized that he was lost. He was overjoyed when he finally met a native. "Say, pal, exclaimed the visitor, "am I glad to see you. I'm lost."

"Is there any reward for you?" inquired the native.

"No—why?" asked the visitor, a bit puzzled.

"Well," replied the native, "then you're still lost."

WESTCOTT NEWS

(From Our Own Correspondent)

A large number of farmers from the Westcott district attended the meeting in town on Thursday last, at which they heard the Prairie Assistance Act explained, all being much interested in it since the area was so badly hit by hail the last two years.

Mrs. Herbert Goetjen visited early last week with Mrs. Louis Hildebrandt and the new baby, near Jackson school.

The dance held at the Westcott school Friday night was very well attended and the music was very much appreciated. All donated their time and talent to make this a very successful night.

There will be a card party at the school Friday, Feb. 11 at 8 p.m., to which all are invited. Sponsors are the Westcott Community Club.

We are sorry to hear that little Linda Reinhardt has been out of school for a week with a sore throat and cold.

Friends will be pleased to hear that Mrs. John Bonner of Calgary and formerly of Westcott, was released from hospital last week.

Mr. and Mrs. Louis Hildebrandt and family were visitors at the Otto Folkman home on Wednesday evening last.

Springdale Notes

(From Our Own Correspondent)

A whist party was held Friday evening at the McDonald home with 8 tables in play. First prizes were won by Mrs. Hugh Morton and Mr. McDonald. Second ladies went to Mrs. V. Wrigglesworth. Consolation went to Lloyd Kershaw, who played in place of a lady, and Johnny McDonald.

The next card party will be held February 4th at the Springdale school, sponsored by Mrs. Hugh Morton.

IN MEMORIAM

In loving memory of a dear father, Mose Snyder, who passed away Feb. 1, 1950.

Farewell dear father, thy work is over.

Thy willing hands will toil no more.
No one on earth we'll find like you.

Peacefully sleeping, resting at last.
His weary trials and troubles are past.

In silence he suffered, in patience he bore.
Till God called him home to suffer no more.

Sadly missed by Sydney, Elenora and children. 1tc
